Comments for improvement that came out of the survey were:

- Stay ands can be difficult to attend for working parents and it may be useful to change the days
- Extra curricular activities – clubs for Year R, more trips for all year groups, suggestions for other clubs
- Newsletter very informative – consider a different format
- Better parking facilities
- School lunches – too processed, bigger portions etc
- Morning drop off pick up – children lining up, difficult if more than one child etc
