Dear 'The Class of 2024'

We have set up an online platform called 'Seesaw' which we are aiming to use to communicate with you during this transition period. Enclosed, you will find some instructions as to how you can set up a seesaw account and then access it to find messages and information from the school. Your child's unique Seesaw code will be emailed out to you on Monday, which you will need to log in.

Once you have logged in you will find a post from Murphy (our school dog). Myself, Mrs Pike and Mrs Sowerby will upload a post in the next couple of days to introduce ourselves too. We would be very grateful if you could work with your child to add a post. We would love to learn a little bit about your child, perhaps they could draw a picture or post a video of themselves.

Over the next few months, we will regularly send information via Seesaw; some videos and activities for your child and also some information for parents too, such as uniform lists etc. Other communication may come to you via your email address too.

Should you need any further help, then please feel free to email us using [classof2024@harnham-inf.wilts.sch.uk](mailto:classof2024@harnham-inf.wilts.sch.uk).

With best wishes,

Natasha Dorrington
