

How to use Seesaw at home

To access seesaw via a laptop you can visit <https://app.seesaw.me> or download the Seesaw class app from the app store. Please make sure you download the class version and not the parent's app.

How to login:

Click I'm a student, you will then be given the option to scan a QR code or enter a code. Codes have also been sent out via email.

Layout of the app:

At the bottom of your screen you should see three headings, Journal, Activity and Inbox.

Journal- This is a record of all your child's activities.

Activities - Here you will find activities to do.

Notifications - Here you will receive notifications e.g. If a teacher has responded to something you have uploaded etc.

Messages – At the top, where the speech bubble icon is, is where messages are sent.

You will also find a green add button, either in activities if you want to respond to something set or in the journal section, you can upload your own pictures or comments.
