Friday 7th January 2022

Dear Families,

Happy New Year! We do hope you had a wonderful festive break and are ready for 2022! It is great to welcome back all of our families for another exciting term at Harnham Infant School.

This week, there have been some strange sightings in the Early Years classrooms from a troll to the Little Red Hen as the children have started their traditional tales topic. In Year 1 and Year 2, everyone is very excited about their Superheroes topic which has been launched today with their themed dressing up day. We have seen drama, sewing and stories! Make sure you ask the children about it as they have been very engaged in their learning and if this is how the term has started, we can't wait to see what we have achieved by the end of it!

Wishing you a lovely weekend,
The Harnham Infant School Team

Blogs:

Do have a look on Seesaw for an update from the class teacher's about the children's learning this week. Thank you.

Superhero Day:

What an amazing host of Superheroes we have had in school today! The children in year 1 and 2 all looked incredible dressed up and have had a wonderful time.

Just a reminder that the teachers were inspired to use Superhero Day as an opportunity for some fundraising for raise funds for The Paediatric Intensive Care Unit at Southampton General Hospital whose doctors and nurses provide lifesaving care for critically ill or injured children in our area. We know of families within our school community who have benefited from their incredible service. The teachers have been out with collection buckets today but there is still opportunity to donate via School Gateway App if you would like to. We look forward to sharing the total raised with you next week. Thank you in advance for your generous donations. 😊

Miss Dorrington's Challenge:

Just a reminder from the last newsletter that Miss Dorrington set the children a challenge to complete a piece of creative work independently and then to bring in in to school. This could be a poem, a story, some artwork, a model, a recipe, or an interesting letter telling me something the children have done linked to their hobbies and interests.

For Year 2, Miss Dorrington will then send this work off to Blue Peter, so that the children can earn their Blue Peter badge. To enable her to do this, I need to send some personal information (child's name, DOB and home address) along with the work. If you would like your child to be involved in this, please may you give permission on the school gateway app, under the payment section (no payment will be taken).

For the Year R and 1, they are trying to earn a special Harnham Infant School badge as unfortunately, they are too young to apply for a Blue Peter badge.

The closing date for children's independent work is Friday 14th January.

Do you have?

If any parents have any children's coats available that they are happy to donate, we would gratefully receive them. Thank you.

Parent Support Advisor Contact:

Thank you:

Thank you to the parents who recorded videos or sent photographs about their roles as real-life superheroes! You have really enhanced the children's learning this week. Thank you!

The MESSY CHURCH team would like to invite you to come and make a Christingle like this one.....

WHEN: Sunday 9th January

TIME: 3 - 4.30 pm

WHERE: All Saints Church.... at the back of the church.

We would love to see you there!

School Dinners and Lateness:

If you are running late for school due to an appointment or any other reason, but you would still like your child to have a hot dinner, please may we request that you telephone the office and order your child's choice of meal first thing in the morning, before 9.30am? This is to support the kitchen with the number of meals they need to cook as there is no guarantee there would be enough if your child doesn't order. Thank you.

When to end self-isolation if you have had COVID-19 symptoms or have received a positive COVID-19 test result

Forest School:

Just a reminder about children needing sufficiently warm clothes for Forest School sessions, especially on these cold weather days. Do make sure they are layered up and have hat, scarf and gloves too. 😊

Reminder:

Please read with your child at home. You can read their school books, a different book of your choice, read using an app, play reading games or even while you are out and about for a walk or doing your shopping. Thank you!
