### Blogs:

Don't forget to check your child's Seesaw for a blog post from the class teacher about their learning at school this week. 😊

Friday 6<sup>th</sup> May 2022

Dear Families,

It's the end of another busy week at our school. We seem to have crammed as much into 4 days as we usually do in 5! This week, it was a pleasure to welcome Tina Giles from Wiltshire Council who completed Scootability sessions in our school with the year 1 children. They simply loved practicing their skills and staying safe near the roads with their scooters. Well done to all the children who took part and a big thank you to Tina.

It was also lovely to see year 2 parents in school too, taking part in the Stay and... session at Forest School. We hope you had a wonderful time exploring capacity with your children using natural objects.

Look forward to seeing you all on Monday for more learning adventures,  
The Harnham Infant School Team

### Sunny weather:

Just a little reminder that all children should have a water bottle in school each day so that they can stay hydrated throughout the day. Please remember that **only water should be in their bottles**, we have seen an increase in children bringing juice to school.

Children also **need a sun hat** to wear outside during these summer months. Please **do not send in sunglasses** as the children will not be able to wear them due to the risk of injury if they fall. It is also advised to apply an all-day sun cream to your child before they come to school in the morning. Thank you for your support.

### Wesley Court:

This week, we have received another call from a resident at Wesley Court stating that parents are using the private car park there whilst bringing their children to and from school. We can understand them feeling rightly quite disgruntled and would like to request that parents respect the neighbouring roads and properties to our school. Thank you.

### EYFS Trip:

The ladybirds, hedgehogs and robins would love a couple more parent helpers per class to accompany them to their visit to In Excess next Wednesday morning. If you are able to help, please do get in touch with the class teachers.

### Year 2 DATE CLASH:

Since sending home the calendar dates with the newsletter last week, we have been informed that Bump Up Day for Year 2 to visit the junior school will be on Wednesday 6<sup>th</sup> July. The year 2 performances of their play will now happen only on the 5<sup>th</sup> July (afternoon) and 7<sup>th</sup> July (morning). Thank you.

**The Great Big Book Bench Project:**  
We are thrilled to have been chosen by Salisbury Library and Salisbury Rotary Club as one of only eight schools in Salisbury to take part in a special project called The Great Big Book Bench. Local artists will be coming in to work with a group of children to design and paint a book shaped sculpture bench. This will then be displayed at Salisbury Library over the summer before being returned to Harnham Infant School for us to keep. We look forward to sharing our progress and the completed project with you.

**Independent work:**  
As you will know, Miss Dorrington set this children a challenge to produce a piece of work independently just before Christmas. For children in year 2, this was to earn a Blue Peter Badge and for EYFS and year 1 children, to gain a Harnham Infant School badge. Miss Dorrington has been working through sharing these pieces of work in assembly and all of the children should now have been celebrated. This challenge has now closed so please do not send in any more to school but look out for a new challenge from Miss Dorrington coming soon.
