Friday 26th November 2021

Dear Families,

We hope you have all had a good week! The wintry feel is certainly upon us and is set to get even colder this weekend – what a perfect excuse to cosy up with your little ones for a good rest this weekend, to regain some energy supplies ready for the Christmas excitement that lays ahead in the coming weeks!

It has been a great week at Harnham Infant School. This week, we welcomed our School Improvement Advisor in from Wiltshire Council, who enjoyed his visit to the school and was very complimentary about the children, their learning, the school environment and the whole staff team too. To find out more about your child's learning, please do visit Seesaw to read the weekly class blog posted by the class teacher along with some photographs for you to see too. If you are unsure how to access Seesaw, please do get in touch and we will be delighted to help you with this.

This time of year can often feel very busy with so many exciting activities, trips dates and deadlines going on. If you have any questions or need anything clarified, please do not hesitate to get in touch. We are here to help.

Wishing you a lovely weekend,
The Harnham Infant School Team

Christmas Cards for Care Charities:

Would you like to spread some Christmas cheer? Why not spend some time at home creating cards, pictures letters, puzzles or book marks that we can give away to local charities this Christmas? These will then be distributed to older people living on their own or those in care homes. Completed cards and pictures are being gathered in the school office to be collected by the elves on 3rd December. Thank you for your support.

Just for Fun – Game of the Week:

This week's game a positive focus and well-being! It is called **Living Legends!** Can you think of an alliterative way of saying your name? E.g. Marvellous Murphy, Perfect Penny etc. Can you then add an action to go with your name? Perhaps you can think of names for all your family and friends and start to introduce yourselves with your actions too? Have fun!
